General Information on the report of Corporate Governance

Graphisoft Park SE (1031 Budapest, Záhony utca 7. Cg. 01-20-000002; hereinafter “company”) places great emphasis on implementing the Corporate Governance Recommendations and Guidelines, taking into account the relative small size of the group of companies formed by the company and its subsidiaries and its simple organization structure (in average 26 employees, one-tier board, 6 members of the board of directors). The management of the company continuously improves its operational and monitoring practices.

The board of directors presents its Corporate Governance Report for the business year 2019 to the attention of the General Meeting in the form below as prescribed by the Corporate Governance Recommendations of the Budapest Stock Exchange and by the provisions of Act 5 of 2013 on the Civil Code.

A brief presentation of the operation of the Board of Directors / Governing Board and the management, distribution of duties and responsibilities.

The Board of Directors consists of 5 to 11 members. The Directors are all natural persons. The majority of the members of the Board of Directors must qualify as “independent person”. Board members are regarded as independent if they have no legal relations with the Company other than their membership of the Board of Directors. The Board of Directors establishes its own rules of procedure (“Rules of Procedure”) in accordance with the provisions of the Articles of Association and the Civil Code. The Board of Directors has a quorum if the majority of the members of the Board of Directors are present at the meeting or during the alternative decision-making procedure.

The board of directors is continuously monitoring the operations of the company. The board of directors holds its meetings more often than required, applying alternative methods (telephone, or other electronic communication methods). It requires and receives information continuously from the executive management. The board of directors does not take part in the daily management of the operations of the company.

The board of directors and the executive management are performing their duties with continuous legal support, supplementing the necessary time frame and expenditure to ensure

that all decisions are prepared responsibly, well founded financially and legally, taking into primary consideration the interests of the shareholders.

An introduction of the management / board of directors, the audit committee and their members (with indicating the status of independence with each member) and the composition of each committee.

Considered factors for the evaluation of the Board of Directors, the Supervisory Board, the executive management, and its members.

Reference shall be made to the changes based on the evaluation in the reported period

The board of directors and the audit committee examined each of the members before deciding on any matter for possible conflicts of interest.

All members participated in meetings of the board of directors and the audit committee.

Before strategic and high impact decisions all members had unrestricted access to information. Implementation of the decisions were monitored by the members.

The board of directors and the audit committee had fulfilled their duties prescribed by law and by the Articles of Association.

The company does not evaluate the members individually.

Report on the activities of each committee, including the introduction of the members of the committees, the number of meetings held and participation rates, relevant issues discussed at the meetings and the operation of the committees.

If the board of directors passed a resolution contrary to the recommendations of the audit committee, the presentation of the operations of the audit committee shall indicate such event (as well as the reasons of the Board of Director's action).

The audit committee convened once. The meetings were attended by all members.

The more important matters discussed were:

- calling for proposals for appointing the auditor and evaluating the submissions
- borrowing and preparation of acquisition of treasury shares
- reviewing the company's 2019 activities
- reviewing and commenting the IFRS consolidated and individual reports
- controlling of the dividend payments
- proposing the auditor to be appointed with the company and its remuneration
- approving its own report and submitting it to the general meeting

The introduction of the members can be found under the title „An introduction of the management / board of directors, the audit committee and their members (with indicating the status of independence with each member) and the composition of each committee.” Members’ CVs can be found at <http://www.graphisoftpark.com/corporate-governance>.

**Presentation of internal controls, evaluation of its application in the reported period.
Presentation on the efficiency and effectiveness of risk management procedures.
(Information on the availability of the report on internal controls by the Board of Directors by shareholders.)**

The size of the company does not warrant the implementation of separate policies or designation of an officer besides the already existing internal controlling mechanism. The management and control of financial risks is carried out by the whole of the board of directors and the management continuously. The internal controlling mechanisms designed and implemented by the management aids the handling of risks associated with the operation of the company and support the realization of the company’s business targets. The financial statements are in full compliance with IFRS.

The company’s smaller structure allows the management and the board of directors to be informed directly of all material information and risk.

The management directly approved all financial commitments.

Information on whether the auditor performed any activities not related to auditing.

Yes, the auditor audited the interim balance sheet (audit related service)

The company's disclosure policy, and policy on insider trading

Publication policy: the company is committed to operate transparently. It aims to publish reliable and accurate information regarding its existing and expected financial status and conditions meeting and exceeding its legal obligations and the requirements articulated in the recommendations from the stock exchange.

Insider trading policy: the company implemented a comprehensive policy regarding insider trading and market manipulation, which covers all employees of the company and its subsidiaries, as well as all persons required by law and persons abiding its provisions

voluntarily by declaration. The policy defines the meaning and scope of insider information, persons accessing insider information, the procedures and persons responsible for classifying information as insider information and the rules for publishing insider information.

The company monitors regulatory actions, agency decisions and recommendations and reviews its policies as needed from time to time.

The small size of the organization structure allows the management to exercise comprehensive control.
