

## **Announcement**

### **on ending lawsuit**

Graphisoft SE makes the following extraordinary announcement based on Articles 55-56 of the Act 120 of 2001. on capital markets and Order 24/2008. (VIII.15.) of the Ministry of Finance on the rules of information duties regarding publicly traded securities.

Graphisoft Park SE's wholly owned subsidiary, Graphisoft Park Kft. filed suit on June 8, 2016 against the Municipality of Budapest for the removal of a pledge over property.

As published in our previous reports, in the purchase of land contract with the Municipality of Budapest in 2008 we have undertaken the duty to carry out development for educational purpose by renovating the protected monument parts of the purchased property. To secure the realization of this duty a pledge in the value of 1 billion forints had been recorded. The starting date of the 5 year deadline (execution of plot division) for completing the development has not passed yet, we have met and exceeded our duties ahead of time. As the Municipality has refused our request to remove the pledge over property, we have filed suit to the same end.

Today the appellate court has ruled in Graphisoft Park's favour. The judgement ordering the removal of the pledge is final.
